**Side 1**

*Characters: Snow White/Huntsman*

SNOW WHITE

Sir, you can put that knife down. I have a very nice pie cutter here.  
(Huntsman stops in his tracks, and Snow White speaks again.)  
How many slices would you like?

HUNTSMAN

I . . . I . . . I've come to . . .

SNOW WHITE

Eat pie. Yes. I know. Why else would you be here?

HUNTSMAN

I have orders . . .

SNOW WHITE

(Interrupting.)  
I'm not taking any more orders for today. I'm closed, but I'll give you half off on any of my remaining pies.

HUNTSMAN

Huh?

SNOW WHITE

I said, I'll give you a fifty percent discount.

HUNTSMAN

A discount?

SNOW WHITE

That's right. I can't sell these tomorrow. From a business standpoint, it makes a lot more sense if I get whatever I can for them now. Otherwise, the pies just go to waste.

HUNTSMAN

(Puts the knife down.)  
You're pretty clever, aren't you?

SNOW WHITE

Well, I'd like to think so. I've certainly done well as an entrepreneur.  
(Beaming.)

My food truck has been very profitable.

HUNTSMAN

Really?

SNOW WHITE

Oh, yes. My food truck has very low expenses. It's a much better investment than, say, the Queen's castle. The Queen is carrying an awful lot of overhead. That's why she can't pay her employees very well. You'd have to be crazy to keep working for her.

HUNTSMAN

The Queen gave me orders to kill you.

SNOW WHITE

Why would you do that? I mean, if the Queen told you to jump off a bridge, would you do it?

HUNTSMAN

You sound like my mother.

SNOW WHITE

Your mother is a wise woman. You should think this through.

HUNTSMAN

Well, what should I do? On the one hand, the Queen will give me a poor performance review if I don't kill you. On the other hand, I would have to be crazy if I kept working for the Queen. But if I didn't work for the Queen, what would I do?

SNOW WHITE

Go into business for yourself?

HUNTSMAN

Aha! I've got it. I could go into business for myself. I could sell . . .  
(Eyes apple pies.)  
apple pies!

SNOW WHITE

(Rolling her eyes and speaking sarcastically.)  
Oh, how original. I wonder how you came up with that idea. Why don't you take my food truck while you're at it?

HUNTSMAN

(Eyes food truck.)  
Excellent idea! I could sell apple pies out of your food truck!  
(Huntsman grabs Snow White's keys and jumps in the truck. Snow White's mouth falls open in shock. The sound of the truck's ignition is heard.)

## SNOW WHITE

I didn't *really* mean for you to take my truck. I was just joking!  
Stop! Thief! That's my food truck!

*Snow White and the Seven Entrepreneurs*

**Side 2**

*Characters: Queen, Mirror*

QUEEN

(We see the Queen at the front of the stage.)

Mirror, mirror on the wall, who is the cleverest one of all?

MIRROR

Hmm ... That's a good question. It was you again for a while but not anymore.

QUEEN

(Bewildered.)

Who else could it be?

MIRROR

Snow White.

QUEEN

(Standing up in a rage.)

Ack! Not her again. How is that possible? Huntsman got rid of her.

MIRROR

Well, your Huntsman merely took her food truck. But you can't count that clever lady out. She knows a diamond mine when she sees it.

QUEEN

What are you talking about?

MIRROR

Snow White went into business with the seven dwarves. Or is it four? Hmm . . . anyway, they've opened up this beautiful resort called "Woodland Wonderland." It's very posh, and the food is exquisite. You should read the online reviews.

QUEEN

Whose side are you on?

MIRROR

I'm just telling you like it is.

QUEEN

(Defiantly.)

I will not stand for second-rate status. I will have to kill her myself.

MIRROR

Boy, aren't you the rotten apple.

QUEEN

That's it! A rotten apple. With poison at its core.

MIRROR

Oh, brother!

QUEEN

(Pointing her finger at Mirror.)

That's enough from you.

(The Queen cackles as she mixes a potion in a bowl.)

MIRROR

There she goes again. Stirring up trouble.
