

**THE DATING POOL** SIDE 3 (49 AND 61)

	49
Hello, darlings.	
	61
Not in front of the children!	
	49
Oh, please.	
	61
16, cover your ears.	
	23
And your eyes.	
	61
16! Swim over there for a while.	
	49
How feminist of y'all.	
	61
You are about to take the wrong turn at the fork. I beg you, don't.	
	49
<i>(shrugs)</i> The bills have to be paid.	
	61
This isn't the way. The guilt...	
	49
My boyfriend knows and he's fine with me doing this. Titillated, even.	
	61
But you won't be fine. You'll carry the shame of this for a long time.	
	49
It won't be forever. Just for a few months till I can catch up financially.	
	61
What are you even doing in this dream? You didn't 'date' any of those men!
